What can YOU do?

Come to one of the parks listed below. Cleanup crew leaders will meet you at the park entrance and provide directions for pitching in!

What should you bring?

Gloves, 5-gallon pail (if possible), trowel or scooper tool

Please help educate other dog owners about the importance of cleaning up dog waste. It is unpleasant and can pose health risks. Responsible dog owners ALWAYS clean up. So, please always carry a plastic bag when you walk your dog. Take an extra bag with you to give to another dog owner in need. And remember—cleaning up dog waste is a RULE! Compliance with Park rules helps assure continued enjoyment of the parks with our dogs!
