

**DECLARATION OF RESCISSION
EMERGENCY SLOW-NO-WAKE ZONE
ON CRYSTAL LAKE**

Heavy rainfall in July 2017 resulted in high water levels on Crystal Lake, posing a substantial risk to property and public safety. On July 22, 2017, an Emergency Slow-No-Wake Zone was declared on the entire surface area of Crystal Lake. The emergency slow-no-wake zone was declared by the County Executive, County Sheriff, and County Board Chair pursuant to authority granted in Section 72.08(3)(a) of the Dane County Code of Ordinances.

Water levels on Crystal Lake have receded to the level that justifies reverting to the normal slow-no-wake restrictions.

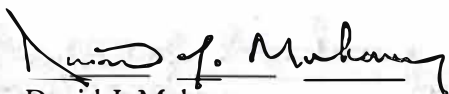

The County of Dane hereby declares that effective at sunrise on April 28, 2018, the Declaration of Emergency Slow-No-Wake Zone is rescinded on Crystal Lake.

Dated this 25th day of April, 2018.
